MINOR POLICIES

Course substitutions may be allowed via petition in consultation with Student Services Advisor and Director of Undergraduate Studies.

A minimum of 20 units applied toward the minor requirements must be in addition to units applied toward major requirements or another minor.

Each minor course must be taken for a letter grade, and students must have an overall grade-point average of 2.0 or better in the minor. Successful completion of the minor is indicated on the transcript and diploma.

Updated Winter 2026

Master List of Health Humanities Minor Electives

Please choose elective courses from the list of eligible Health Humanities classes below. Note that courses on this list may have prerequisites or have enrollments limited by the originating departments. It is the student's responsibility to check the General Catalog and Schedule of Classes for specific information regarding the availability of these courses. Substitutions may be allowed via petition in consultation with the Student Services Advisor and Director of Undergraduate Studies.

Humanities Departments are notated with an asterisk (*). One of the three elective courses used for the minor must be within the Humanities.
